Present: Trish, Paul, Joanie, Helen

Absent: Walter, Greg, Leslie

Meeting called to order at 2:05pm by Trish Lounsbury.

- The committee reviewed the most recent LSC projects list updated by Shelly. Lots of progress has been made and we will check out the new fence additions after the meeting.
- We reviewed the proposed 2020-2022 Workplan that Trish and Joanie developed using the LSC Assets list the committee established. The intent is to have the plan completed for the Board to review, consider and adopt for the 2020 budget planning and moving forward over the next 3 years. Of course, noting that it is a fluid document and maybe revised based upon need. Those projects on the LSC Assets list that are board approved to be done during the 2019 budget year are not included in this Workplan as it is for 2020-22.
- The committee agreed with the Workplan outline and would like to ask Shelly to distribute to the Board for consideration and inclusion in the 2020 budget planning. As well as accepting the Workplan for future projects and budgeting.
- Use of the existing shower, once the shower in the pool area is completed was discussed. We would welcome suggestions as to use for the existing shower outside the restrooms at the LSC. Current suggestions are to leave as is, make into a restroom for the landscaping crew and or install vending machines.
- Helen stated that court 2 will be closed up to 8 days for repainting. Date depending on when vendor receives the paint.
- The Rules and Regulations document will be reviewed and discussed at our October meeting.
- We will check with Leslie as to what is needed for the Bocce Ball courts prior to starting up again at end of October.

* See the attached Workplan document in support of minutes.

Next meeting will be held 2:00pm, October 8, 2019.

Meeting adjourned at 2:55pm.
